RingVoz Traveler
Download our **FREE** Application

Start Calling Now in three easy Steps

1

Download the RingVoz application directly from the Google Play or App Store links. Once the application is open RingVoz, select "Call from everywhere" and follow the steps to install

2

Install the Cloud Softphone, then returns to the application RingVoz and this is automatically linked to your account.

3

Ready!
With only a Wi-Fi or GSM connection you can make calls from anywhere you are anywhere in the world without access number and using the available balance in your RingVoz account.

RingVoz always gives you more
